FORD—THE UNIVERSAL CAR

**Facts**—Get the facts on the operating costs before you buy an automobile. Find out the truth before—not after. And don't be satisfied with hearsay or a salesman's claim. The price of gasoline is high; so is oil, and there is sure to be an increase in the price of all tires. So, what you want is the car that will give you most miles per gallon of gasoline, per gallon of oil and per set of tires. A Ford will go anywhere any other car will go and lots of places others won't go.

The sale of the Maplecroft Mill at Liberty, which was scheduled to take place at Pickens Monday, was postponed by order of the court until April 24.

We have it straight that the play to be at the school house Friday night will be the funniest and most mirth provoking entertainment ever staged in Pickens.

The article on another page of this paper headed "Pickens Boy First to Fall" is not exactly correct and slipped into the paper by mistake. A correct account of the affair appeared in last week's paper.

Married, Sunday the 12th instant, at the residence of Mrs. A. G. Wyatt in Easley, Miss Mary Phillips, of Glenwood mill village, and Mr. Andrew Sumter, of Toccoa, Ga. R. G. Wyatt, N. P., officiated.

The family of Maj. G. M. Lynch wish to publicly express their heartfelt thanks to the friends who were so kind and good to them and the departed husband and father during his recent sickness which resulted in his death.

Early Holder, who recently lost his barn, some live stock and other property by fire, wishes to thank his friends and neighbors for their thoughtfulness and kindness toward him in his misfortune. He is truly grateful.

Announcement has been made of the approaching marriage of Miss Nettie Ellison, daughter of Mr. and Mrs. Columbus Ellison, to Dr. Lake Jamison, son of Mr. and Mrs. John B. Jamison, all of Easley, the event to take place in June.

Pickens township singing convention will meet with Mountain View church the fourth Sunday in March at 2 o'clock in the afternoon. Any church which wishes to entertain the all-day singing the fifth Sunday in April should extend the invitation next Sunday.

In the preliminary contest held at the school house Friday night Vaughn Inabnet was selected to represent Pickens school in the county oratorical contest and Steen Looper was awarded second place. Miss Eleanor Earle will represent the Pickens school in the county declamation contest.

The Pickens postoffice will in a few days be in its new and handsome quarters in the rear room of the Pickens bank building. An extra door has been made in the side of the building and cement pavement has been put down alongside the bank for the convenience of the stamp-buying and mail-getting public.

Mr. Carlos Gantt, an enterprising merchant of Liberty, was here on business Monday. Mr. Gantt invites The Sentinel readers to trade with him. He represents one of the best known tailoring establishments and would be glad to take your measure for a new spring and summer suit. See his ad in this paper.

H. J. Lewis, one of the good citizens of Sunset, was in town on business Monday and paid us a pleasant visit. Mr. Lewis has been a subscriber to The Sentinel since the first issue and we hope he may be permitted to remain with us a long time yet. He has been in bad health for several months, but we are pleased to state that he is improving now.

It will be interesting news to many in Pickens to learn that Prof. W. E. Dendy, formerly principal of the school here, has accepted the position as registrar and assistant to the president of Oglethorpe University, of Atlanta. It is the university now being built by Southern Presbyterians and when finished will be the largest school of its kind in the South. Oglethorpe will begin its first session next fall. Prof. Dendy has resigned as superintendent of the schools at Monroe, Ga., in order to take up his new work.

At the school house Friday night, March 24, at 8 o'clock—Come and see "Popping the Question"—two males and four females. A bustling farce with one old bachelor and two old maid parts.—Very amusing. Vocal and instrumental music. "How the Story Grew"—eight female characters. An amusing little piece full of human nature. Admission 15 and 25 cents. This entertainment is given under the auspices of the W. C. T. U. and the proceeds will be used on a public playground for the children of Pickens.

The community was shocked Saturday when it became known that Emmette, the two-year-old son of Mr. and Mrs. Ben Holder of Pickens, had been choked to death by a grain of rice which lodged in his windpipe while he was eating dinner. The little fellow had been suffering from whooping cough, and just as he was putting some rice in his mouth was seized with a coughing spell which caused him to suck some of the rice into his windpipe and death resulted soon after. A doctor was summoned and everything possible was done, but the rice could not be removed. The little body was laid to rest Sunday in Secona cemetery after funeral services conducted by Rev. B. E. Grandy. At the time of Emmette's death his mother was in bed sick. The entire community extends to the stricken family sincere sympathy.
